

PUBLIC DATABASE PORTUGAL

Municipality of Braga

In the latest years, Braga Municipality has been focusing on Youth, Culture and Innovation. Braga was the European Youth Capital in 2012, European Circular Economy Capital in 2021 and is now a candidate for European Culture Capital of 2027. Municipality of Braga was always ahead on the topic of entrepreneurship and social action, and today the focus has been driven into social entrepreneurship with its notorious social innovation center, the Human Power Hub.
